NonStopAuction Cookie Policy

Last updated: 6 October 2026

NonStopAuction uses cookies and similar technologies to operate the website, maintain security, remember preferences, understand website usage and, where enabled, provide advertising.

1. Necessary technologies

Some cookies and similar technologies are necessary for NonStopAuction to function.

These may be used for:

- **authentication;**
- **account security;**
- **session management;**
- **fraud prevention;**
- **maintaining shopping or auction functionality;**
- **load balancing;**
- **protecting the website from malicious activity.**

These technologies may be used without consent where they are strictly necessary to provide the service requested by the user.

2. Analytics

We may use Google Analytics and similar analytics technologies to understand:

- **how users access NonStopAuction;**
- **which pages are viewed;**
- **how the website performs;**
- **how users interact with the platform.**

Where consent is required, analytics technologies will only be activated after the user provides consent.

3. Advertising

NonStopAuction may use Google AdSense or other advertising services.

Advertising providers may use cookies or similar technologies to deliver or measure advertisements.

Where consent is legally required for advertising-related tracking or storage, the relevant technologies will only be activated after consent has been obtained.

4. Cloudflare and security

Cloudflare and similar infrastructure providers may use technical information or storage technologies necessary to provide security, performance and network functionality.

5. Managing cookies

You may control non-essential cookies through our cookie-consent system and your browser settings.

Where required, NonStopAuction will provide a mechanism allowing users to accept or reject non-essential technologies.

UK guidance requires consent for non-essential storage/access technologies, including advertising tracking, and requires consent to be actively and clearly given.

6. Changes

We may update this Cookie Policy when our technology providers or use of cookies changes.
