NonStopAuction Prohibited Items Policy

Last updated: 6 October 2026

NonStopAuction is intended for lawful goods.

The following categories are prohibited unless NonStopAuction expressly authorises an item in writing.

Prohibited categories

Weapons

- firearms;
- ammunition;
- explosives;
- prohibited knives and weapons;
- weapon components where restricted;
- devices designed principally to cause serious injury;
- other heavily regulated weapons.

Drugs and pharmaceuticals

- illegal drugs;
- controlled substances;

- prescription medicines where sale by the seller is not legally authorised;
- pharmaceutical products subject to significant legal restrictions;
- drug paraphernalia where prohibited.

Stolen or unlawfully obtained property

- stolen goods;
- goods obtained through fraud;
- goods that the seller has no legal right to sell.

Counterfeit and infringing goods

- counterfeit branded goods;
- fake designer goods;
- unauthorised copies;
- pirated media;
- goods that infringe another person's intellectual property rights.

Fraudulent documents

- fake identification;
- passports;
- driving licences;
- government documents;
- forged certificates;
- other documents intended to facilitate fraud or impersonation.

Dangerous materials

- explosives;
- illegal hazardous materials;
- radioactive materials;
- prohibited chemicals;
- goods prohibited from postal or courier transportation.

Other prohibited goods

NonStopAuction may prohibit any additional category where listing or sale presents an unacceptable legal, regulatory, safety, financial or reputational risk.

We may remove listings and suspend accounts where we reasonably believe an item violates this policy.

The prohibited-items list is not exhaustive.
